Spring has Sprung
And things are starting to grow!

Gardening is a great way to give children a chance to learn an important life skill, one that can be overlooked in school. Gardening is also a great way to teach environmental awareness by exploring the workings of nature.

Here is a 'Top List' great for first time gardening kiddos!, These plants are relatively easy to grow, have short growing seasons and are fun to harvest.

- Sunflowers
- Lettuce
- Radishes
- Snow Peas
- Cherry Tomatoes
- Carrots
- Potatoes
- Pumpkins
